

Verona 36" Ring Chandelier

Few forms command a room the way a ring does. The Verona Ring Chandelier suspends one or two of them with a range of metallic finishes and accents in the look of warm wood, rich leather, and textural fabric. A chandelier that feels tailored to the room it inhabits, and timeless the moment it is installed.

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
