

**VERONA**

A distinctive, tailored touch

Introducing a refined balance of luxury and style for living spaces, dining rooms, and bedrooms.

Available in one- or two-tier configurations, the Verona's sculptural rings are offered in 36" and 46" diameters, with customizable wood and two-tone accents that perfectly match Hammerton Studio finishes.

**SCONCES**

Subtle statements in lasting design

Designed to elevate corridors, bathrooms, bedrooms, and living spaces, our sconces bring a refined architectural presence to walls.

Offered in Viro brushed finishes and select Hammerton Studio powder coat finishes, each sconce features customizable wood, stone, and metal accents, along with distinctive glass forms.
