

Blossom Belvedere Sconce

An undulant 'blossom' of LED-lit handblown glass is paired with our Belvedere metalwork in this inspired 21"H sconce design. The look nods to an organic aesthetic that exudes casual sophistication. Each glass shade is a one-of-a-kind artisan creation reflecting the combined talents of Hammerton's metal and glass fabrication teams.

Product Notes - PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit studio.hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".
