

Hailstone Single Pendant

The Hailstone pendant reimagines the beloved Raindrop collection with an earthier, more casual spirit. Its handcrafted ceramic cap replaces the traditional fluted profile, layering organic texture with modern artistry. Each light showcases up to five pounds of luxuriously thick, LED-illuminated hand-blown glass and is available in two ceramic color accents.

Product Notes - PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
