

Parallel Rectangular Linear - 48-Inch

The Parallel Rectangular Chandelier features floating LED-illuminated panels of glittering kiln fused & hand textured glass, each skillfully fabricated by Hammerton artisans. Sleek lines and minimal metalwork make this handcrafted glass dining light an ideal choice for contemporary and modern interiors. Choose from several glass textures, glass colors, and finishes.

Product Notes - PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
