

### Gaia Linear - 44-Inch

Featuring beautifully contoured orbs of hand-blown lead-free crystal, the Gaia linear chandelier elevates the familiar round glass shade to a modern organic interpretation of the natural world. Gaia lighting is illuminated with 93 CRI integrated LED and includes a choice of glass colors, finishes and color temperature options.

#### Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
