

Tessera Vanity - Medium

The 2,500-year old art of glass mosaic tiling is brilliantly brought to light in the modern-styled Tessera Vanity Sconce. Choose from five tile motifs in artisan cast crystal glass, two wood-inspired accent motifs, and several finishes. Tessera fixtures are illuminated with 93 CRI integrated LED and are available in 2700K or 3000K color temperature.

Product Notes - PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
