

Multi-Pendant 3 Tall Como

A cluster of pendants under one canopy has a presence a single light cannot replicate. More than 30 components to configure—glass styles, metal finishes, cord lengths—including real marble from the Iberian Peninsula for a multi-pendant chandelier no two buyers will share. Designed in Salt Lake City. Crafted to a standard most imports never reach.

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".
