

## Nova Tempo Sconce (Bulb)

The Nebula Nova Tempo Sconce features a softly undulant 10"W oval shade in artisan blown crystal glass with an LED-illuminated cast crystal glass diffuser in a choice of three styles. For a more traditional look, order with an E26 base that takes one 40W bulb.

### Finishes

Burnished  
Bronze (BB)

Beige Silver  
(BS)

Classic  
Silver (CS)

Flat Bronze  
(FB)

Graphite  
(GP)

Matte Black  
(MB)

Novel Brass  
(NB)

### Glass Options

Amber (A)

Bronze (B)

Clear (C)

Smoke (S)

### Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

### General Notes:

- Visit [studio.hammerton.com](https://studio.hammerton.com) to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".
