

## Tall Austin

Heavy precision-milled metal, thick braided cord, and real stone from the Iberian Peninsula—each piece carrying its own natural character. The Austin bare socket pendant earns its place by getting every detail exactly right. Designed in Salt Lake City. Crafted to a standard most imports never reach.

### Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
