

Mono

Pick it up and you know immediately this is not ordinary glass. Thick, heavy, and luminous—it holds light the way good glass should. Configure this blown glass pendant light from more than 30 components, including real marble and travertine from the Iberian Peninsula, each piece its own. Designed in Salt Lake City. Crafted to a standard most imports never reach.

Finish

Antique
Brass

Matte Black

Satin Nickel

Glass Color

Clear

Smoke

White

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".

Revision date: 2026-05-11
