

Napa 16 with Como

This timeless cone pendant light now has options to fit your space perfectly. More than 30 components to configure—metal finishes, thick glass, real stone from the Iberian Peninsula. A shape that has always worked, built exactly the way you want it. Designed in Salt Lake City. Crafted to a standard most imports never reach.

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".

Revision date: 2026-05-11
