

Outdoor Maison Sconce - 27-Inch

This versatile box-style sconce juxtaposes contemporary lines with the rugged look of hand-hewn stone in a blown glass lens. The LED light source is cleverly concealed to direct light downward in compliance with DarkSky regulations. Offered in a choice of two blown glass styles, the Maison LED wall sconce elevates exteriors from mundane to extraordinary.

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
