

## Swag Multi-Pendant Combo 7 Tall 4E8-3E10

There is something satisfying about a room lit from multiple points at once—light that settles rather than spotlights. A swag chandelier with more than 30 components to configure, thick braided cord, and solid metal throughout. Every combination uniquely yours. Designed in Salt Lake City. Crafted to a standard most imports never reach.

### Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
