

Hub & Spoke - Cumulus - Round - 6pc

Suitable for both walls and ceilings, this modular design can be easily mistaken for an art installation. Undulating 'clouds' of precision crafted metal and textured kiln-fused glass create a captivating focal point on any interior surface. Choose an all-metal look with either a single or two-tone finish, or pair metal with a glass diffuser.

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".

Revision date: 2025-10-27
